Brigada 2506

. A Los Hombres Libres Del Mundo .

En el mes de Marzo de 1963, el Gobierno de los Estados Unidos ofreció a la oficialidad de la Brigada de Asalto 2506, un curso especial de adiestramiento en el Fuerte Benning, Georgia. Los hombres de la famosa Brigada, muchos aun bajo los efectos de 22 meses de prisión comunista, otros con las molestias todavía de sus gloriosas heridas de campaña, acataron entusiastas la oportunidad que ofrecía el Gobierno amigo de entrenarse en el uso y la técnica del combate y las armas modernas, a fin de ser mas útiles a la causa de la liberación patria.

Las fotos que a continuación presentamos representan momentos notables durante el desarrollo de este curso que es aurora de esperanza libertaria para todos los cubanos.

Dar un paso al frente en la ingente tarea de acortar los días de sufrimiento en que la Patria esclavizada se desangra, ha sido el propósito, y no otro, de todos y cada uno de los oficiales cubanos que han asistido al presente curso. En él se han adquirido los conocimientos indispensables para triunfar en el arte de la guerra, Guerra que de manera inevitable se desatará algún día en Cuba. Y a cuya vanguardia se encontrarán sin duda los oficiales de la aguerrida Brigada de Asalto 2506, que al terminar este curso dejan por medio de esta memoria una constancia gráfica de muchas de sus actividades en el mismo.

Mártires de Girón, tus compañeros prosiguen la lucha que un día, 17 de Abril de 1961, comenzaron ustedes con heroísmo de titanes.

INTRODUCTION

TO THE FREE MEN OF THE WORLD

In the month of March 1963, the U.S. Government offered the officers of Brigade 2506 a special training course at Fort Benning, Georgia. The men of the well known Brigade, many still under the influence of 22 months of Communist prison, others still feeling the wounds of battle, enthusiastically took the opportunity offered by the friendly government [U.S.] to train in the use and techniques of combat and modern weapons, for the purpose of being more ready to the cause of liberating the country. [Cuba]

The photos presented represent notable instances during the development of the course, a hope of freedom for all Cubans.

Taking a step forward in shortening the suffering days in which the country bleeds, has been the purpose of each and every one of the Cuban officers participating in the course. In this, they have obtained knowledge to win the art of warfare, war that undoubtedly will happen one day in Cuba. And which undoubtedly will participate, in the war in Cuba, the officers of the 2506 Brigade, and by the conclusion of this course they leave us a graphic memento of their many activities. Martyrs of Giron, your fellow Brigade members continue the fight that on the 17th of April 1961 started with the heroism of titans...
